

The Art Gallery of Toronto

ANNUAL REPORT FOR THE YEAR 1939

APRIL, 1940

REPORT OF THE PRESIDENT

ANNUAL MEETING, APRIL 16, 1940
THE ART GALLERY OF TORONTO

THE Art Gallery, as with other similar institutions, found the past year to be one full of mixed blessings. It was however by no means without accomplishment in spite of its difficulties. In fact (as I expect is the case with all of us as individuals), the more difficult the situation becomes, the harder we work. This has been true of the Committees and Staff to whom is entrusted the Gallery's activity. Among other things as a result of our increased endeavours, we welcomed in 1939 more new Founders than in any year since 1928. These are—Miss Isabel McLaughlin, Mr. J. J. Vaughan and Mrs. R. Y. Eaton. There were also fourteen new Life Members. We have received too, a number of donations from Members who wish to remain anonymous but to whom we express our deepest thanks.

Last year's Annual Meeting was clouded by the death of Mr. A. H. Robson, our Vice-President, and by the deaths of two Founders, Sir Joseph Flavelle and Sir Henry Pellatt, and resolutions of sympathy were passed unanimously at the meeting. The Members appointed a Committee to consider a suitable form of memorial for Mr. Robson which has resulted in the foundation of the "Robson Fund for Canadian Art" to which I will refer again later.

During the year which followed, death has taken its steady toll of our Members and I should like to extend the sympathy of the Gallery to their respective families.

We have always had a strong annual membership which has this year been more interested and active than ever before in supporting the Gallery. This is important not only for their subscriptions but because it indicates both a sense of civic pride and goodwill toward the Gallery which is most heartening.

But as regards the normal accession of new Members, it has recently been below average, which is no doubt due to unsettled conditions throughout the world. This is frankly serious for us if only for the decrease it makes in our revenues because, on that account, we have had to reduce our Exhibition budget which has meant Shows somewhat less interesting. As a consequence of this, and also no doubt because the Public were pre-occupied with war news, the total attendance has dropped from 112,871 to 100,873. Likewise, Educational activity dropped from 62,544 to 58,453.

In the matter of new membership however, the intention is to make aggressive effort in securing new Members. This is already under way.

Financially, although our receipts from annual dues are less than before, our main position, due to the generosity of our friends, is stronger than last year.

These contributions, however, are kept in capital account and afford no relief to the strain of maintaining our activities.

The most important acquisition of the year was the gift of the Hals "Portrait of a Gentleman" by Mr. R. Y. Eaton and The T. Eaton Company. This acquisition which, at the request of the donors, has not been published at large, adds one more great painting to our steadily growing collection and is especially welcome in that it was made after the war broke out. The picture, painted in 1648, is a splendid example of the artist's mature work. What is assumed to be its companion piece of the same size, a portrait of a lady, is in the collection of the Museum of Fine Arts in Boston. The subject is most probably the mayor or a burgher of Hals's native city, Haarlem, though no positive identification can be made. The picture comes from the collection of the late Charles Schwab of New York, who acquired it in 1906, and has a fine history.

The amount of subscriptions to date towards the Robson Fund for Canadian Art is \$4,363.50 and to this we expect further subscriptions.

We have received, with much appreciation, other gifts and bequests of paintings which, together with purchases, are given in detail at the end of this report.

Mr. Robson's lamented death last year has resulted in several changes; the election of Mr. Lyle to the Vice-Presidency was one; Mr. Frank Wood took over the heavy work of the Exhibition Committee, and with the foundation of the Robson Memorial Fund, to which many of you contributed so generously, Mr. J. S. McLean has taken the chair of the Committee for its administration.

Mr. E. R. Rolph, who has been Chairman of the Building and Grounds Committee for many years has asked to be relieved of his duties on account of his health. I should like to take this opportunity of thanking him, on your behalf, for his many years of faithful service; as I do too, Mr. J. M. Lyle, Vice-President, Mr. C. S. Band, Mr. Robert Fennell and Messrs. R. A. Daly, F. P. Wood, Fred MacKelcan, Ivor Lewis, and G. E. Watson who, as Chairmen of the various other Committees constitute an Executive who have given a great deal of their time and energy to the Gallery's problems, as have the many Members of their respective Committees.

Our thanks are due to the interest and support of the Mayor and the City Council, five members of which are appointed to the Gallery Council; and to the Parks Commissioner who is responsible for the excellent upkeep of Grange Park; also to the Police Force who so willingly come to our help in handling traffic and in guarding the buildings.

To the Staff as a whole, I should like to convey our sincere appreciation of their good work during the year—in all departments they have met the demands of the situation and their unfailing courtesy and application is worthy of proper notice. One of our guards, Tom Molloy, enlisted shortly after the outbreak of war. I need hardly say that we wish him good luck and will keep his place against his return from overseas.

Mr. Lismer, who for so many years was our Educational Supervisor is now in Ottawa in charge of Education with the National Gallery. Miss Gwen Kidd, secretary of the Children's Art Centre, has gone with him. However, Mr. Lismer has found time to make us several very useful and welcome visits during the last season, speaking on one occasion to the Ontario Educational Association at their visit to the Gallery.

After war broke out it was decided that, at all costs, our educational work, particularly with our children, literally hundreds of them, drawn from all parts of the city, should not be allowed to suffer and for the season 1939/40 it has been maintained at the same level as for the previous year. Though it will cost us some thousands of dollars over and above the amount already devoted to it, we feel that this expense was fully justified if only that the young people who come voluntarily to us are not disappointed in their opportunity for development.

As a result, the Children's Art Centre, the Saturday morning classes and the daily classes from public schools have not slackened in volume, and it is only in the visits of groups and societies, who are now so busy with war work, that a falling off has been noticed.

The Public School classes, four daily during the school year, have again been in charge of Miss Margaret Wilson, appointed by the Board of Education. Miss Audrey Taylor is the Chief Instructor at the Children's Art Centre and Miss Dorothy Medhurst, Chief Instructor for the Saturday Morning Classes and Summer School. All our classes have been visited, as part of their curriculum, by students of the Ontario College of Education and students attending the Summer Schools, especially in the Art Courses. Many of our staff have found time to initiate and take part in adult and children's classes outside the Gallery both in the City and in a number of places in Ontario; and have been invited to speak on various occasions about the Gallery work as well.

The Gallery programme of lectures and talks has been maintained and our thanks are due to the Canadian Broadcasting Corporation for their generosity in giving us time for our Radio Broadcasts. This was changed last autumn to a question and answer programme which was quite successful.

Many exhibitions of photographs and reproductions were circulated to schools and libraries throughout the Province.

Our thanks are due to the newspapers and periodicals which have done their best for us as usual in discussing exhibitions and publishing photographs.

I should like to say in conclusion that following the returns from the Questionnaire sent out last July, the Gallery's whole programme was re-studied and re-planned with a view to making it more alive and more generally interesting—but that, following the outbreak of war, action was wisely, I think, deferred until the situation was clearer. This report deals only with 1939, but I can assure you that our plans for the future do not visualize further retrenchment, but on the other hand more and more activity; and we can rely, with confidence, as always on the co-operation of the Membership as a whole.
